Your client, Nevin Shapiro, instructed me to make contact with you. Nevin has been assisting the NCAA Enforcement Staff in regards to violations of NCAA legislation that may have occurred while Nevin was a booster of the University of Miami-Florida intercollegiate athletics program. Nevin has requested that I make an in person visit with him at HCCC. I have begun to make contact with the necessary individuals for approval for the visit. The NCAA greatly appreciates Nevin's cooperation and your cooperation on this matter would also be greatly appreciated. Please do not hesitate to contact me if you have any questions regarding this matter.
