Julie and Tom,

[redacted]

Rich and I also had an extensive conversation with Maria Elena Perez, Nevin's attorney today. Not only will she be able to depose Mario Sanchez, Sean "Pee Wee" Allen and Michael Huyghue but she will use our questions and we may be able to observe the depositions. Of course, we have to work out the cost details, in terms of her hours, court reporter, etc.

I will keep you posted.
