Good morning. Ameen can you please confirm that you sent Nevin an email stating that everything was approved and to move forward with the setting of depositions and the issuance of subpoenas? Did you also send Nevin an email stating that I would be receiving a check either last Friday or today ? I need to confirm whether this is accurate, as I have not received any such emails from you. Thank you.

That is correct. Payment was approved and a check should be on the way.
