

2014 Final Four Event

Updated: March 6, 2014

In women's basketball, coaches are permitted to attend a single basketball event selected at the discretion of the institution, certified by the NCAA and held in conjunction with and conducted within a 30-mile radius of the championship site and host city of the NCAA Division I Women's Basketball Championship. The opportunity to attend such an event is limited to one per institution and is available for all coaching staff members. Institutional staff members are precluded from in-person face-to-face contacts with prospective student-athletes during such events. The intent of such an event is to add to the celebration of basketball in conjunction with the NCAA Final Four and is not to evaluate prospective student-athletes. The following event meets the criteria outlined in NCAA Bylaw No. 13.20.

Due to the adoption of Proposal No. 2007-106, the basketball event certification process for an event held in conjunction with the NCAA Men's Final Four has been eliminated.
