**Updated: 9/25/2015 12:51 PM**

Division I coaches may only attend events as outlined in [13.1.7.8.2 – Women’s Basketball Evaluations](#) Effective: Aug 1, 2012

Evaluations at nonscholastic events during the women's basketball prospective student-athlete's academic year during the last full weekend (including Friday, Saturday and Sunday) of the fall contact period and the Friday, Saturday and Sunday of the spring evaluation period.

Evaluations at nonscholastic events and noninstitutional camps or clinics that occur on a Division I campus are prohibited.

National Standardized Testing Weekends. Evaluations at nonscholastic events during the academic year evaluation period shall not occur during any weekend (including Friday, Saturday and Sunday) during which the PSAT, SAT, PLAN or ACT national standardized tests are administered. If the PSAT, SAT, PLAN or ACT is administered on a date that conflicts with the fall nonscholastic evaluation weekend, evaluations at nonscholastic events shall be permissible during the first full weekend (including Friday, Saturday and Sunday) of the fall/winter evaluation period. If the PSAT, SAT, PLAN or ACT is administered on a date that conflicts with the spring nonscholastic evaluation weekend, the five-day evaluation period in April shall shift to the second Friday following the initial date of the spring National Letter of Intent signing period through the following Tuesday.

The nonscholastic events identified below have been NCAA certified to allow the attendance of NCAA Division I women's basketball coaches during Fall 2015.
