

# Summer 2016 Men's Certified Basketball Leagues

**Updated: 7/21/2016 3:06:48 PM**

NCAA Division I student-athletes with remaining eligibility may participate in the NCAA-certified summer leagues listed in alphabetical order by the league name in the table below; **BUT**:

1. Only on the dates identified in the "Certified Dates" column; and
2. Only after receiving Director of Athletics' Permission.

All Division I players must limit their competition to one team in one league. Even if a student-athlete participates in a two-day activity/league that student-athlete cannot then participate in any other organized basketball activity/league for the duration of the summer.

If a Division I student-athlete is rendered ineligible for collegiate athletics due to participation in a summer league (prior to permission, without permission, played in multiple leagues, etc.) and is subsequently forced to submit to the student-athlete reinstatement process, the league will be ineligible for certification the following year.

NOTE: League certification **DOES NOT** permit NCAA Division I basketball coaching staff members to attend. Please consult the list of NCAA-certified events to identify those competitions that Division I coaches may attend.

Activity Name and Location	Certified Dates	Operator's Contact Information
2016 Cleveland Am Pro Basketball Summer League at Walsh University in North Canton, Other <a href="http://www.clevelandakronampro.com">www.clevelandakronampro.com</a>	July 2 to August 21 (Saturdays and Sundays)	Vance Marbury 614 774 2423 <a href="mailto:marburystate@aol.com">marburystate@aol.com</a>
